

Equipment List

(Last updated 10/1/2008)

8 CNC Vertical milling centers 40" X 20" X 28", two 5 axis
3 CNC Vertical milling centers 60" X 30" X 30", two 5 axis
1 CNC Vertical milling center 45" X 25" X 32", 5 axis
1 CNC Vertical milling center 80" X 30" X 30"
1 CNC Vertical milling center 18" X 31" X 20"
Knee mill
8 Bridgeport manual mills

2 CNC lathes 12" dia X 18" long max, 10" chuck
1 CNC lathe 16" max dia X 36" long max, 12" chuck

Inspection

- Mitutoyo CMM
- Optical Comparator
- Digital height gages - multiple
- Various measuring devices which are calibrated on a regular basis according to our AS9100 quality system

CAD – Solidworks

CAM – various seats

Other Equipment

Radial arm drill

Hydraulic Press

Metal band saw and cutoff saw

Conventional pattern shop and machine shop equipment

- Various wood and metal working equipment including bandsaws, Bridgeport mills, etc..
